

AARP DSP Shirts for Tennessee

We have located a national firm that produces shirts for many States. They use the latest AARP logo.

The title and name of the volunteer is included, together with the State. The AARP logo is in red and all the other lettering is in white on a **royal blue polo/golf style** shirt. Any of our volunteers in the Driver Safety Program with an ID number may order a shirt by placing an order and paying for the shirt.

Can anyone be reimbursed for the cost of the shirt?

Sorry, AARP will ONLY reimburse Coordinators (Zone, Section/District), Trainers, and Telephone Coordinators for their shirts when they submit a Standard Activity Expense Statement (SAES) to their supervisor, and the expense is for "Publicity" which is Activity Code 3004.

The shirts are available in men's or women's short sleeve without pocket (SS), short sleeve with pocket (SSP), or long sleeve (LS). Also, be sure to place your order in either the men's (M) or lady's (L) column. Again these are **polo/golf** type shirts.

An order form is attached.

It takes about 10-15 business days from receipt of order to get a shirt.

Perhaps, if Zones place orders as a group, you might save the \$10 shipping per shirt and spread that out among all the shirts in one order. You'll have to work that out with the order place if it is possible.

The appropriate titles for you to indicate in your order are either:

Zone Coordinator

District Coordinator (this replaces "Section" Coordinator and is new)

Chief Trainer

Trainer

Phone Coordinator

Instructor

**AARP DRIVER
SAFETY PROGRAM**
