Check out all the Tennessee updates at <http://aarpdriver.org/>. Classes must be attended for both days to receive credit.

AARP DRIVER SAFETY PROGRAM courses are presented to improve the safety of the mature driver (50 and older). Tennessee law provides a discount on auto insurance costs for graduates of the 8-hour course who are 55 and older if they have had a good driving record for three years. No driving; no written test to pass; only participation in classroom discussion. The course costs \$12 or \$14 for non-AARP members, which is payable to AARP DSP for course materials. Instructors are volunteers. Call for information and enrollment form.
